TO THE CITY CONTROLLER:

The Metropolitan Human Relations Commission
(Department)

requests that an appropriation ordinance be prepared and submitted to the City Council authorizing the transfer of \$ 1,327.90 from

Account No. 640-1-111 Title Salaries and Wages Regular to

Account No. 640-1-230 Title Instruction

Reason for Transfer There are always many new legal developments in the field of
Civil Rights and it is very important that our staff keep abreast of these. The
International Association of Official Human Rights Agencies (IAOHRA) and the Indiana
Consortium of Human Rights Agencies are both having training sessions that will be
very beneficial for staff training and effectiveness. The first of these, to be held
in the latter part of August, is the first session IAOHRA has offered which is
geared for attorneys and paralegal professionals. The second, training session,
offered by the Indiana Consortium, is to teach our staff better investigative
skills and techniques, and to upgrade their knowledge of the law. It will be held in
September

Department Head or Board Member

Directions -- Departments requesting transfer of funds from one account to another, or for the appropriation of funds from the unexpended balance of the General Fund must fill out this form in duplicate, and send both the original and one copy to the Controller's Office. It is suggested that a third copy be made and retained by the department originating the request. The Controller's office will retain one copy of the form and send the other to the City Attorney which will be his authorization to prepare the appropriation ordinance. Please send the request for transfer of funds to the Controller as early as possible, and at least one week should be allowed for the City Attorney to prepare the appropriation ordinance and the City Clerk to enroll it for the next Council meeting.
